Procedure for entering British Mathematical Olympiad Round 2

We accept entries from schools and colleges with a UKMT centre number for BMO2 on behalf of pupils who did not qualify. The entry fee is £23 and will be invoiced.

To enter discretionary candidates, you will need to contact the UKMT **as soon as possible, and no later than noon on Tuesday 25th January**, to request a BMO2 question paper pack. Contact the UKMT, preferably by email at enquiry@ukmt.org.uk, and supply the following information for each candidate:

UKMT Centre Number	School Name	Pupil Forename	Pupil Surname	UK Passport? Y/N (see 1a on page 1)	3 years UK? (Y/N) (see 1b on page 1)	SMC Score

Requests for discretionary candidates can also be made by phone on 0113 343 2339, or fax on 0113 343 5500; the information above must be provided.

You will receive an invoice with your pack. Please arrange for prompt payment by BACS or cheque (£23 per candidate, payment details will be included on the invoice). Results will not be issued until payment has been made.
