The University of Reading's Turing centenary project brings Alan Turing's Imitation Game to life on the 100th anniversary of his birthday.

The event will take place between 10am and 4pm.

Turing100 at Bletchley Park* is a one-day family event open to members of the public visiting on the historic day. **Few slots remain for judges and 'hidden humans' in Turing's famous Imitation Game of conversation, deception and machine intelligence.** Contact Turing100atBletchleyPark@gmail.com to participate.

The event will take place in the following areas of the mansion:

- 1) **Drawing Room** – Computer themed exhibitors include
 - a) Price Waterhouse Coopers – Cybercrime, Threats and Vulnerabilities Management UK
 - b) YOUSRC – a great starting point for children to have fun learning computer programming
 - c) Rasberry Pi - the inexpensive and programmable computer aimed at children
 - d) Artificial Solutions – Virtual Assistants, Making Technology Think
 - e) Daden Ltd. – Virtual Worlds and Chatbot-based Solutions
 - f) Elzware Conversation Systems – Where Humanity Meets Technology
 - g) Women In Technology – Information portal for female technologists

- 2) **Billiard Room† - Interactive imitation games:**
 - a) Take a fun Visual Turing Test – all ages
 - b) University of Reading Turing test contest – granted London 2012 Inspire Mark for Education: <http://www.reading.ac.uk/news-and-events/releases/PR445524.aspx>

The Imitation Game: Can you tell machine from human? Can you distinguish a man from a woman?

Turing's birthplace, The Colonnade Hotel London, to award the 'Winning Machine' trophy.
Best adult judge prize awarded by Reading University; Raspberri Pi computer to best child judge.

If you are a school you can take part in London2012's official education programme, **Get Set**. Find out more here: <http://getset.london2012.com/en/home>
